

AIMA NEWSLETTER
THE COMMUNIQUE
September 2020

PRESIDENT'S CORNER

Dear AIMA Members

I hope you are all keeping well in these difficult times. It gives me great pleasure to release our first newsletter of the newly elected enthusiastic team.

Thank you all for giving us an opportunity to serve AIMA for the next 2 years. AIMA has come a long way in the past two years under excellent captaincy of Dr Sanjay Mukhedkar and foundations laid by our past presidents and AIMA Teams. With all your continued support and cooperation AIMA has a great future ahead.

AGM this year was very well attended, it was so nice to see such a friendly networking and healthy discussion about the future of AIMA. Many thanks for those who have managed to make it to AGM, your presence and discussion was very valuable for the growth of the organisation.

All of us front line workers have done an amazing job to keep the people of WA safe. Your efforts are commendable and made WA a remarkable and safe state to live in.

Our jewel in the crown – AIMA Annual Diwali Dinner has been planned for Saturday 28th November 2020 at Hyatt Regency. AIMA team is working hard on the logistics of the event and will have complete information for you all soon. Please follow our website, check your emails from AIMA and follow the AIMA WA Facebook page. We look forward to a relaxed & enjoyable evening amid all our friends and family in one of the hardest years the world has gone through.

AIMA membership has grown at a very rapid pace in the last couple of years and we are humbled by your response and support. We request you all to support the charities which AIMA is supporting for the great cause. You will find more information about the charities in this Newsletter and the Facebook page.

Our whole team is working hard to coordinate and conduct proceedings of AIMA in the coming months. We request you all to continue to show the support as you have done in the past few years to keep us motivated and strengthen AIMA.

It is our AIMA and we need to work for the future generations, so we all have a strong voice going forward. There is a lot of work to be done to make this happen.

Warm Regards

Dr Satish Devata
AIMA President

-Executive Committee

PERSONAL ACHIEVEMENTS

Pratham Gulati

Pratham Gulati is 15 years of age and in year 10. During the COVID period of school break he eventually materialized the idea of a cherished dream of developing a website, which compares shoe prices. This is the website he developed www.shoenationn.com ; it is probably the only Australian shoe price comparing website. He also writes shoe blogs on the website, there has been an overwhelming response. He receives massive number of requests every day from people asking him to mentor for e-commerce, web designing and entrepreneurship ideas. Hundreds of people are visiting his website every day, the website is now affiliated with big names like Amazon etc.

Visit website: www.shoenationn.com
